ESOTERIC ACUPUNCTURE

by *Mikio Sankey, Ph.D., L.Ac.*

Volume 1: Gateway to Expanded Healing \$44.95

An amazing synthesis of acupuncture, sacred geometry and the Qabbalistic tree of life. This book enables anyone to accelerate their spiritual advancement and treatments.

Volume 2: Discern the Whisper \$44.95

This book contains new encoding patterns which are a continuation of those presented in Volume 1.

Volume 3: Climbing Jacob's Ladder \$44.95

This is a workbook designed for energy healers. It presents easy to see and easy to use diagrams and needling sequences. There is also a short chapter on Dinshah's theory of colour healing.

Volume 4: Sea of Fire - Cosmic Fire \$44.95

Further expands the material presented in earlier volumes. Contains in-depth discussions on How to Connect your Higher Twin Flame Within, the Seven Brain Centers and their Connection to the Seven Major Chakras, and the Building of the Complete Antahkarana. Awarded Acupunctre Author of the year in 2006.

Volume 5: Support the Mountain \$44.95

Incorporate's naturopathy and fresh, raw, whole foods within the framework of Chinese Medicine, integrating whole foods with the body, mind, spirit. This book is especially written for those who seek a newer, "Higher Frequency Inner Rhythm" to enter the Field of an Awakened Humanity.
