

* How to make the internet work for your business!

5 big ticket items to get more clients

**1 hour work shop +
5 tips to improve your website =
More clients**

OAMPS Insurance Brokers is hosting a work shop just for members of ANTA.

This interactive work shop, presented by David Fuller from Essendon Creative, has the sole purpose of delivering you hints and tips to increase your ideal clients.

It's true that the Internet is a game changing tool for collecting leads, attracting customers, growing a business, finding staff, providing awesome customer service and building communities.

It is also true that most of us fail dismally in our online ventures.

In this talk you will learn five things you can do in the next week to get the needle moving in the right direction!

**Presenter: David Fuller, Creative Director -
Essendon Creative**

David has been harnessing the power of the web since starting Essendon Creative in 1999. More importantly, he has been running a successful business since 1999!

David brings a wealth of practical experience to any business wanting to get the most out of their online marketing, with a straightforward common sense approach.

The tips you will learn in this talk are the same fundamentals David uses with his clients every day.
